The receive date of the paper “Optimal candidates location in multicandidate spatial theory of voting”, published in *International Journal of Pure nad Applied Mathematics*, Volume 47, No. 4 (2008), 481-496, was misplaced during the preprint preparation of issue. The date (August 13, 2008) is printed on page 483, but not in page 481.

The ediotrs are very sorry for this missprinting.
